Undergraduate Academic Guidebook
2018-2019

Engineering Admissions – New Students - First Time in College/Freshman Applicants

In addition to UNT admissions requirements, you must also meet **one** of the following criteria:

- Top 25% of high school graduating class
MATH SAT score of 590 or better & a total SAT score of 1140 or better
MATH ACT score of 23 or better & a composite ACT score of 23 or better
- Top 50% of high school graduating class
MATH SAT score of 620 or better & a total SAT score of 1170 or better
MATH ACT score of 24 or better & a composite ACT score of 24 or better
- 51% or lower high school graduating class
MATH SAT score of 650 or better & a total SAT score of 1250 or better
MATH ACT score of 26 or better & a composite ACT of 26 or better
- No high school rank (GED or homeschooled) or international high school
MATH SAT score of 620 or better & a total SAT score of 1170 or better
MATH ACT score of 24 or better & a composite ACT score of 24 or better

Construction Engineering Technology or Mechanical Engineering Technology can earn MATH SAT score of 570 or better or MATH ACT score of 22 or better regardless of rank.

Engineering Admissions – New Students - Transfer & 2nd Bachelor's Degree Applicants

In addition to UNT admissions requirements, you must also meet **all** of the following criteria:

- Minimum 2.0 GPA based on all transfer coursework
- Minimum 2.0 GPA based on all transfer mathematics, science, engineering, & computing coursework
- Eligibility to enter MATH 1710, Calculus 1, via prerequisite completion or testing (see next page)

Pre-Engineering Major Program

If you do not meet the above criteria, you will be in the Pre-Engineering Major program. You may be eligible for admissions into the engineering major you desire when you meet criteria below.

Engineering Admissions – UNT Students - Pre-Major Engineering & Change of Major Applicants

To be admitted from Pre-Engineering or another UNT major, you must meet **all** of the following criteria:

- Minimum 2.0 GPA based on all UNT coursework
- Minimum 2.5 GPA & minimum "C" grades in the courses below per your destination engineering major

Biomedical Engineering:

Communications Core,
TECM 2700, MATH 1710, MATH 1720,
BMEN 1300, BMEN 1400

Electrical Engineering:

Communications Core, TECM 2700,
MATH 1710, MATH 1720,
PHYS 1710, PHYS 1730, EENG 1910

Materials Science & Engineering:

Communications Core, TECM 2700,
MATH 1710, MATH 1720, PHYS 1710, PHYS 1730,
CHEM 1410, CHEM 1430, CHEM 1420, MTSE 1100

Mechanical & Energy Engineering:

Communications Core, TECM 2700, MATH 1710,
MATH 1720, PHYS 1710, PHYS 1730, MEEN 1000

Construction Engineering Technology:

Communications Core, TECM 2700,
MATH 1710, PHYS 1710, PHYS 1730,
ENGR 1030, CNET 1160, CNET 2180

Computer Engineering/Computer Science/ Information Technology:

Communications Core, TECM 2700,
MATH 1710, CSCE 1030, CSCE 1040

Mechanical Engineering Technology:

Communications Core, TECM 2700,
MATH 1710, PHYS 1710, PHYS 1730, ENGR 1304

Engineering Dismissal

You are required to conduct yourself in a professional manner at UNT while making successful progression toward graduation. Failure to do so will result in dismissal from the College of Engineering. Criteria for dismissal includes (but is not limited to);

- Violation of the Code of Student Conduct located at deanofstudents.unt.edu/conduct. This includes, (but is not limited to) dishonesty, cheating, disruptive behavior, theft, hazing, abuse, violence, etc.
- Failure to enroll in engineering required coursework and/or prerequisites each semester.
- Failure to earn a minimum grade of "C" by the 2nd attempt in engineering required coursework and/or prerequisites.
- Failure to reach or maintain GPA criteria for engineering required coursework and/or prerequisites.
- Failure to maintain academic good standing (2.0 UNT cumulative GPA).
- Being placed on academic suspension from UNT due to UNT semester and/or cumulative GPA.

Mathematics

All engineering degree plans require completion of MATH 1710, Calculus I, in the 1st semester to attempt graduation in a reasonable timeframe.

Enrollment in MATH 1710 is contingent on (1) completion of placement tests, or (2) completion of college level math prerequisite courses, or (3) college level math credit earned via AP, IB, or CLEP.

Prerequisite Course Sequence for Calculus I:

MATH 1100, College Algebra, -> MATH 1650, Pre-Calculus, -> MATH 1710, Calculus I

AP, IB, CLEP, DC, Transfer Credits:

AP Calculus AB score of 3 or higher: MATH 1710

AP Calculus BC score of 3 or higher: MATH 1710,1720

AP Calculus AB Subscore of BC score 3 or higher: MATH 1710

IB Mathematics - Calculus: MATH 1710

CLEP College Algebra: MATH 1100

CLEP Pre-calculus: MATH 1650

CLEP Calculus: MATH 1710

Community College MATH 1314 or 1414 : MATH 1100

Community College MATH 2312 or 2412: MATH 1650

Community College MATH 2313 or 2413 or 2513: MATH 1710

Pre-Placement for First Time in College/Freshmen:

If you have not earned credit for math courses via AP, IB, CLEP, dual credit or transfer credit, you must begin math courses based on your Math Group Level assigned by the Math Department:

- Math Level 1 or No Math Level: MATH 1100
- Math Level 2: MATH 1650
- MATH Level 3: MATH 1710

Placement Testing Options:

If you feel that you are capable of beginning your math courses at a higher level than your Math Group Level or qualification based on earned math credit, you can seek approval via 3 testing options:

- **Pearson MyMathTest** – free online test. Must score a minimum of 70 to enter MATH 1710. Must score a minimum 10 to enter MATH 1650.
- **ALEKS** – online test which requires a small fee & completion of a 6 week long tutorial. Must score a minimum of 70 to enter MATH 1710. Must score a minimum of 50 to enter MATH 1650.
- **Accuplacer** – free on campus test available Mondays through Fridays from 8:30 A.M. to 3:00 P.M. in the General Academic Building (GAB) 443. Must score a minimum of 101 to enter MATH 1710. Must score a minimum of 86 to enter MATH 1650.

Please refer to Mathematics Department at (940) 565-2155 or math.unt.edu for more testing information.

Courses

All UNT courses are documented using a four letter subject abbreviation & four digit number.

Abbreviations: ENGL for English
HIST for History

Numbers: Freshman 1000 Junior 3000
Sophomore 2000 Senior 4000

Different types of courses at UNT:

Prerequisite or "Prereq": course that must be completed to move onto another course in a sequence.
Corequisite or "Coreq": course that must be taken in the same semester as another course.
Recitation or "Rec": extra, required meeting time to cover homework, take tests, answer questions, etc.
Laboratory or "Lab": required time that's an application of the information that you learn in class.
Advanced course: junior or senior level course.
Internet course or "INET": course in which the majority of instruction, assignments, & work is online.
Blended course: course in which a portion of the instruction, assignments, & work is online.
Restricted: course or section time that is limited to certain students such as Honors, Out of State, Majors.
Frisco: course taught at the Frisco Campus in Frisco, Texas.
CHEC: course taught at the Collin Higher Education Center in McKinney, Texas.

Different semester offerings of courses at UNT:

Fall: August to December	8 Week: May to July	10 week: June to August
Spring: January to May	5 week 1: June to July	
3 Week: May	5 week 2: July to August	<i>UNT does not offer a winter semester</i>

Credit Hours

Number of units assigned to each course. Referred to as "credits", "hours" or "credit hours". Tells you approximately how many hours per week you'll be in class & approximately how many hours per week you'll need to study for that course. It's also used in the calculation of your GPA.

How many hours do I earn for each course?

Depends on the course. Usually 3 – 4 hours but courses can range from 1 to 5 hours.

How many credits is full-time?

12 hours (approximately 4 courses).

How many hours can I take each semester?

19 hours in the fall/spring semesters & 18 hours in the summer. This applies to credits enrolled at UNT & another institution (concurrent enrollment). You can receive overload approval to take more hours if you have met the following criteria:

- At least a 3.0 GPA on a minimum 15 hour UNT residence load for the semester just completed.
- At least a 3.0 GPA on a minimum 12 hour UNT residence load for the summer terms just completed.
- At least a 3.0 GPA on all work completed at UNT & a minimum 24 hours of credit in residence.

Do I have to be a full-time student?

No, not unless you are an international student, an athlete, a scholarship recipient or receiving maximum financial aid. To attempt a timely graduation date, you should plan to take 15-16 hours unless you work. Your number of work hours will impact the number of credit hours you should attempt each semester/term. Please consult with your advisor to determine the proper balance of work and school.

Classification

Your classification is based on the number of earned credit hours after semester grade posting; not the number of years you have been in school. Classification dictates your registration appointment time each semester & may impact your eligibility for scholarships, financial aid, internships, etc.

<i>Freshman:</i>	0 - 29 hours	<i>Junior:</i>	60 - 89 hours
<i>Sophomore:</i>	30 - 59 hours	<i>Senior:</i>	90+ hours

Grade Point Average (GPA)

Grades have a point value & courses are worth a certain amount of credit hours. GPA is calculated by dividing the number of grade points earned by the number of attempted hours. Attempted credit hours are used in calculating GPA. Credit hours earned by AP, CLEP, or IB & courses dropped "W" don't count as attempted hours & don't average into your GPA. Grades of "F" are attempted hours & count heavily against your GPA.

How do grades convert to grade points?

- A = 4 points x # of credit hours course is worth
- B = 3 points x # of credit hours course is worth
- C = 2 points x # of credit hours course is worth
- D = 1 points x # of credit hours course is worth
- F = 0 points x # of credit hours course is worth

How to Calculate Your GPA:

- Determine grade points for each course using the conversion above
- Total your number of grade points
- Total your number of attempted hours
- Divide total grade points by total attempted hours
- Number that results = your GPA

Different types of GPAs:

- *Semester or Term GPA*: the GPA you earned for the semester/term just enrolled.
- *UNT GPA*: the cumulative GPA you earn in all UNT courses. A minimum 2.0 GPA is required.
- *Overall GPA*: GPA you earn in all courses (UNT & transfer). A minimum 2.0 GPA is required.
- *Foundations GPA*: GPA you earn in foundations courses. A minimum 2.5 GPA is required.
- *Major GPA*: the GPA you earn in courses in your major. A minimum 2.0 GPA is required.

You can access a GPA calculator at advising.unt.edu/about-your-gpa/calculate-your-gpa.

Grade Point Average (GPA): Academic Status

Your cumulative UNT grades are used to calculate academic status. Grades earned in transfer are considered in calculation of Graduation with Honors & fulfillment of degree requirements but are not considered with determination of academic status.

Academic Good Standing:

Standing if you earn at least a cumulative 2.0 UNT GPA. A 1.8 UNT GPA is acceptable during your 1st semester at UNT but it must be increased to at least a 2.0 after your 1st semester.

Academic Alert:

Standing if you are a freshmen & your UNT GPA falls below 1.8 during the 1st semester or falls below 2.0 during the 2nd semester. You can only be placed on alert once. You will be required to participate in academic coaching sessions via the Learning Center during your alert semester. You must raise your UNT GPA to 2.0 or higher during your alert semester or you will be placed on probation.

Academic Probation:

Standing if you are not eligible for alert & your UNT GPA falls below 1.8 during the 1st semester or falls below 2.0 during any following semester. You must raise your UNT GPA to 2.0 to return to good standing or earn a semester GPA of at least 2.25 to remain on probation. You will be required to participate in academic coaching session via the Learning Center during your probation semester.

Academic Suspension:

Standing if you fail to raise your UNT GPA to a 2.0 or earn a 2.25 semester GPA while on probation. You are prohibited from attending UNT for 1 long semester for a 1st suspension or 2 long semesters for a 2nd suspension. You must petition to re-enter the College of Engineering after completing the 1st or 2nd suspension period. You might be approved to return. You will be dismissed permanently from the College of Engineering if you are suspended a 3rd time.

Grade Point Average (GPA): Honors

Semester Honors:

Semester honors is based on your fall or spring semester GPA & is documented on your UNT transcript. You must complete at least 12 hours to be recognized for honors. Summer GPA is not recognized for honors. Candidates for a 2nd bachelor's degree are not eligible for semester honors.

President's List: 4.000

Dean's List: 3.500 – 3.999

Graduation with Honors:

Graduation with honors is based on your overall (UNT & transfer) GPA & is documented on your UNT transcript. Candidates for a 2nd bachelor's degree are not eligible for graduation honors.

Cum laude: 3.500 – 3.699

Magna cum laude: 3.700 – 3.899

Summa cum laude: 3.900 – 4.000

Retaking Courses: Course Duplications

If your transcript(s) contains the same course with an earned grade more than once, the 1st grade will be treated as a duplication & will be deleted from your GPA. Any additional grades will be calculated into your GPA. This includes transfer courses/grades. Course duplication will impact your GPA, your academic status & excessive hours.

Engineering major required courses must be completed with a grade of C or better by the 2nd attempt. **Only the last grade will be used in fulfilling prerequisite, corequisite & graduation eligibility.** Contact your advisor to confirm how you will be affected if you take a course more than once.

Dropping or Withdrawing

Dropping:

Dropping refers to removing yourself from one or more courses for the semester (but you remain in at least one course for the semester). You can drop yourself via MyUNT before or shortly after the semester begins. The MyUNT drop functionality usually expires on the 1st day of summer semester & approximately 12 days into the fall/spring semesters. After the MyUNT drop functionality expires, you may drop via the procedures & deadlines listed at unt.edu/registration. Please note that if you are enrolled in only 1 course for a summer session & you need to remove that 1 course, it is considered a withdraw & not a drop. Please see withdraw information below. Only 6 drops are allowed during your academic career unless you began college before the fall semester of 2007. **Once the 6 drop limit is reached, no additional drops are approved.**

Withdrawing:

Withdrawing refers to dropping all courses for the semester. You are not allowed to withdraw via MyUNT. You may withdraw via the procedures & deadlines listed at unt.edu/registration

Dropping or withdrawing may affect your financial aid and/or excessive hours.

Pass/No Pass Grading Option

You may elect to take courses which are not needed for your degree plan or graduation under the Pass/No Pass Grading Option. Certain criteria must be met & you must obtain approval from your advisor after you have enrolled in the course. A "grade" of "P" or "NP" will be recorded on your transcript. This "grade" is not calculated into your GPA.

Taking Courses at Another Institution: Concurrent Enrollment

Courses taken outside of UNT will not be applied to your degree audit unless you meet **all** of the criteria:

- The course you plan to take has been preapproved by your advisor.
- You do not violate the maximum semester/term credit hour limit or residency requirements at UNT.
- You are not attempting to graduate the same semester/term in which you are concurrently enrolled.
- You submit the official transcript for the course to the Registrar's Office within 1 month of completion.

Please note that your department reserves the right to reject online courses and/or courses at certain institutions.

Incompletes

An "I" or "Incomplete" grade is a pending grade on your record which does not affect your GPA. An "I" may be granted by the professor if you meet all of the following conditions:

- The final drop & withdraw deadlines for the semester/term have passed.
- You experience an emergency situation that prohibits you from completing remaining work.
- You have been earning a passing grade to the point of the emergency situation.
- You can complete & submit outstanding work within 12 months after the grade of "I" is granted.

Professors are not required to grant an "I" even if you meet the conditions as each professor may use discretion. An automatic grade of "F" will be posted on your transcript if you did not complete the "I".

Registration

You will be using MyUNT to register for courses each semester/term. Information on registration enrollment periods, payment deadlines, etc. can be located at unt.edu/registration.

Full Courses:

If a course you need to take is full, add yourself to the waitlist. Seats are allotted in position order as fully enrolled students vacate the course. The waitlist will not guarantee a seat in the course. You can waitlist for a maximum of 3 courses per semester/term. The waitlist option ends once add/drop closes for the semester/term.

Error Messages:

Contact the department that teaches the course if you receive an error message to seek an override into the course. Common error messages include prerequisite errors, corequisite errors & restricted section errors. Below are department contacts for some common courses:

| • TECM | Technical Communications Department: AUSB 317 or (940) 565-4458 |

Payment

You must arrange payment prior to the payment deadline listed in MyUNT or www.unt.edu/registration. Failure to pay by the deadline listed will result in the cancellation of your entire schedule of classes.

You must elect the Traditional or Eagle Express tuition plan before your 1st semester/term payment deadline. Information on both plans can be found at studentaccounting.unt.edu.

You have numerous options available to pay. Refer to unt.edu/paying-for-college.htm for information.

If you have been awarded financial aid, please be aware that you must maintain Satisfactory Academic Progress (SAP) & Pace of Progression (POP) in order for your aid to continue. Refer to financialaid.unt.edu/satisfactory-academic-progress-requirements for information.

Tuition Increases

Repeated Course Tuition Increase:

If you are a resident & you attempt courses for a 3rd time, you are subject to pay an additional tuition rate per semester credit hour for the repeated course. Refer information at studentaccounting.unt.edu.

Excessive Hours Regarding Tuition:

Texas code specifies that a resident may be subject to a higher tuition rate for attempting excessive hours at any public institution. You cannot exceed more than 30 credit hours (or 45 credit hours if you started school prior to fall 2006) of the number of hours required for the completion of your degree plan. Any additional hours are considered excessive & will result in additional tuition charges. Refer to information at studentaccounting.unt.edu.

Maximum Hours Regarding Financial Aid:

If you receive financial aid & maintain Satisfactory Academic Progress (SAP) & Pace of Progression (POP), your aid eligibility continues until you attempt 150% of the minimum credit hours required for your degree plan. For most students, once they attempt approximately 180 credit hours, their aid is discontinued.

Degree Audit (Plan)

The degree audit is an official document that lists all the requirements you need to complete to earn your degree. It tracks the application of completed requirements each semester/term. A degree audit must be created for you in order to progress toward graduation. Please contact the Engineering Advising Office for any questions or concerns.

Graduation

You must make an appointment with the Engineering Advising Office the semester/term before you plan to graduate to confirm that you are on track. Graduation can usually be achieved 4 years after you are enrolled in Calculus I (MATH 1710), enrolled in the entry level engineering course(s) for your major, follow the correct requisite sequencing, follow the correct semester scheduling path, earn passing grades each semester/term, & complete approximately 30 degree accountable credits per year. Please note that graduation often occurs within 5-6 years for most students.

You must apply for graduation at the beginning of your final semester via your Student Center in MyUNT. Refer to registrar.unt.edu for more information & the application deadline. Failure to apply by the deadline will result in your failure to graduate or earn your degree even if you complete of your degree audit requirements. You cannot enroll in another institution during your final semester/term or else your graduation will be delayed.

Commencement

Commencement is the name of the graduation ceremony. Commencement is offered In December for students you earn their degree in fall or May for students who earn their degree in spring. Students who earn their degree in summer can choose to attend the December or May Commencement. In order to attend commencement, you must have applied for & been approved for graduation at the beginning of your final semester. Refer to unt.edu/commencement for more information.

North Texas Discovery Park (NTDP)

North Texas Discovery Park (NTDP) is a 2nd campus located 4 miles north of the main campus. It is the location of all College of Engineering offices, classes, & labs. NTDP also offers a cafeteria, library, computer access labs, specialty engineering labs, engineering student organizations, an advising office, tutoring services, & a career services office.

Information on free bus transportation routes/times & available student parking passes/locations can be found at unt.edu/transit.

Advising

Pre-Engineering Advisors:

Located on main campus (TBD), these advisors help **pre-engineering majors** with full-major admissions & academic planning. You can schedule an appointment in person or via 940-565-4201. Allow 3 weeks for an available appointment & note that you will lose your appointment if you arrive late. Contact information is located at **engineering.unt.edu/advising/advisors**. Below are the available advisors:

Notes:

- Note 1: MATH 1710 requires one of the following as prerequisite: completion of MATH 1650 with a grade of "C" or higher; or Freshman Math Group Level 3; or approval authorized by score via mathematics testing; or earned credit for a math course at or above the MATH 1710 level.
- Note 2: CHEM 1410 & 1430 requires MATH 1100, College Algebra (or higher) as prerequisite. CHEM 1415 & 1435 requires MATH 1650, Pre-Calculus (or higher) as prerequisite. There is no prerequisite for BIOL.
- Note 3: CSCE 1030 requires completion of MATH 1650, Pre-Calculus, or co-enrollment in MATH 1710, Calculus I (or higher) as prerequisite.
- Note 4: CHEM 1410 & 1430 requires MATH 1100, College Algebra (or higher) as prerequisite. CHEM 1415 & 1435 requires MATH 1650, Pre-Calculus (or higher) as prerequisite.
- Note 5: Most courses are offered fall only or spring only. Must complete appropriate prerequisite(s) for each course. Graduate Track option available.
- Note 6: CSCE 4901 requires TECM 2700 and CSCE 4444 as prerequisite as well as CSCE 4110 as corequisite or prerequisite. CSCE 4999 requires professor consent as prerequisite.
- Note 7: Current prerequisite for CSCE 4444 is CSCE 2100 & CSCE 2110. This may soon change to CSCE 3110.

Must earn at least a grade of "C" and a minimum 2.5 GPA in CSCE 1030, CSCE 1040, CSCE 2100, CSCE 2110, & MATH 1710 as foundations to enroll in advanced courses.

This is an unofficial sample schedule. Requirements, prerequisites, etc. may change. Students should meet with an advisor each semester for individual scheduling, program decisions, etc. Engineering admissions requirements must be met & a degree audit must be created in order to progress in the program to a timely graduation.

Must complete appropriate prerequisites for minor or certificate courses

Grades of "C" required for most minor or certificate courses.

Completion of a minor and/or a certificate is not required in order to graduate with a bachelor's degree from the College of Engineering at UNT.

Information on more minor and/or certificate options & requirements can be found in the UNT catalog located at catalog.unt.edu.

Grad Track/License Information

GRAD TRACK PROGRAM

The Grad Track Program allows UNT College of Engineering undergraduate students to accelerate the time required to earn a Master of Science degree. Students are allowed to count 9 hours of graduate credit toward both their bachelor's and master's degrees, saving both time and money. Grad Track students save as much as one semester of graduate tuition, totaling \$5,000 or more.

Eligibility:

Students should apply for the Grad Track Program when they have earned at least 75 hours toward the bachelor's degree & are in the semester before the 1st semester of Senior Design or Capstone. Successful applicants typically have a GPA of 3.5 or better.

Students may only earn a master's degree in the same program for which they have earned a bachelor's degree. For example, a student who earns a Computer Science BS degree is only eligible for the Grad Track Program if they apply for the Computer Science MS program. Additionally, students have to enroll full-time in the MS program in the first long semester after completing their BS degree in order for the completed graduate-level classes to count toward the MS degree.

To Apply:

Each department has its own application for Grad Track. You may also have to submit unofficial transcripts and letters of recommendation. Please visit your department's website and/or contact your department's undergraduate or graduate advisor for more information.

FUNDAMENTALS OF ENGINEERING (FE) EXAM

This exam is not required in order to earn your engineering degree but it is generally your first step in the process to becoming a professionally licensed engineer. It is designed for recent graduates & students who are close to finishing an undergraduate engineering degree. Passing this exam legally certifies the candidate as an "engineer in training" (EIT) or an "engineer intern" (EI). UNT tutoring options for the exam can be found at engineering.unt.edu/engineering-exam.

PRINCIPLES AND PRACTICES OF ENGINEERING (PE) EXAM

PE licensure is the engineering profession's highest standard of competence. EITs & EIs are permitted to attempt the exam after completing a minimum of 4 years of professional work experience under the supervisor of a PE. Passing the PE exam qualifies the candidate as a licensed professional engineer.
