UNT

UNT North Texas Coding Academy Camps
Monday – Friday @ 9am – 5pm
for Middle and high school students ages 13+

Option 1: Computer Science Fashion Camp (7/18 – 7/22 and 8/1 – 8/5)

This camp teaches computer science foundations (with coding instruction) using a theme of e-textiles and fashion.

Option 2: Computer Science Career Camp (7/11 – 7/15 and 7/18 – 7/22)

This camp teaches computer science foundations (with coding instruction), possible career directions, guidance for steps needed to pursue a tech career, and provides hands-on projects.

Options 3: Creative Coding Leadership Camp (7/11 – 7/15 and 8/1 – 8/5)

This camp teaches computer science foundations (with coding instruction), encourages entrepreneurship, and provides hands-on projects.

Apply for a Full Scholarship to a Computer Science Summer camp here:
