Major Professors Comments/Suggestions:

- For MS with thesis, the total number of hours required is 30.
- For MS without thesis, the total number of hours required is 33.
- To continue in good standing, a student must maintain a 3.0 GPA overall.
- **Only one unorganized course (not less than 3 sch), and up to 2 Internship courses (max 2 each) may be placed on the MS degree plan.** All outside courses must have prior approval by the student's major professor with a justification written on the back of the degree plan.
