Responsibility for reading catalog requirements and for knowing when program has been completed rests entirely upon the student. Application for graduation must be filed in the Office of Graduate School before the deadline date in force during your final semester. See the Graduate School calendar for deadline date. The number of UNT off-campus residence courses, which may be applied on the master's degree, is limited by state regulations. Consult the Office of the Graduate Dean for information regarding this restriction. Identify transfer courses with school abbreviation and date completed. Official transcripts of transfer work must be filed before courses can be approved.

**EMCS Degree Plan**

MS in Computer Science requires a minimum of 30 semester credit hours in Computer Science and Engineering courses, including 18 hours in one of the concentration areas and 12 hours of electives.
